

EAST AFRICA STUDY CIRCLE

MEMBERS' AUCTION #88

11. March 2023

EAST AFRICA STUDY CIRCLE AUCTION No. 88

To be held on **Saturday, 11 March 2023**, starting promptly at 12.30 pm, with room viewing from 12.00 noon. In addition, for your convenience, scans of each lot are available on the Members' Area of the Study Circle web site (www.easc.org.uk/auction88-images.pdf). Scans of single lots will normally have images of both front and reverse; larger lots may only have a selection of scans. Further information, if necessary, can be obtained from the auctioneer (details in the next paragraph).

We would encourage you to submit your bids by no later than noon on Monday, 6. March, direct to the auctioneer at ericcoulton@aol.com. Whether you are able to attend in person or not, we would particularly welcome postal bids as this will ease the auctioneer's task and help the smooth running of the auction on the day. For this auction your committee is planning to make it a live auction available on Zoom, which will enable non-attenders to bid against the room, and if necessary over-bid their postal bids. However, in view of potential technical difficulties we would still encourage advance bidding.

Lot descriptions are by vendors or Committee members. Please report any concerns over descriptions to the auctioneer. Successful bidders will be invoiced and lots dispatched by Robin Fieth.
